

WEST MIDLANDS CVD AND DIABETES EVENT 'INNOVATION, ADOPTION, DISSEMINATION'

Wednesday 10th May 2017

Canalside, The Cube, Mailbox District, Birmingham, B1 1RN

<http://www.canalsidebirmingham.co.uk/index.html>

9.30 a.m. – 4.00 p.m.

Hear from clinical leaders who've made change happen!

Keynote speakers include:

Dr Kiran Patel (Chair)

Medical Director, NHS England (West Midlands)

Dr Matt Kearney

National Clinical Director for Cardiovascular Disease Prevention, NHS England

Dr Vinod Patel

Hon Consultant Physician/Principal Clinical Teaching Fellow, George Eliot Hospital NHS Trust

Professor Gregory Lip

Professor of Cardiovascular Medicine, University of Birmingham

Dr Parijat De

Diabetes Consultant, Sandwell & West Birmingham Hospitals

Aims of the day:

Learning from excellence in prevention and management of Diabetes / Atrial Fibrillation / Hypertension / Familial Hypercholesterolaemia

This event will showcase innovation from around the region and give a platform for dissemination and shared learning.

Our aim is to inspire you to improve outcomes and reduce health inequalities through adoption of new models of care.

Target audience:

Commissioners, Secondary Care clinicians, GPs and Practice Nurses with special interest, Clinical Nurse Specialists, Local Authorities, PHE, Pharmacists, LTC and Quality Leads, Academics
